file - Burial, Packaging

~~SECRET~~

SECURITY INFORMATION

RECORD OF DISCUSSION

CONFIDENTIAL

TO: POD/TSS

23 April 1954
Date and Hour

[redacted] WE-1 [redacted] 25X1
Division Extension

~~Came in~~ Telephoned: to discuss a question whether our hot-dip compounds are more stable than British. The British have reported that their compounds became unstable when ~~Action to be taken~~ submerged in water. I reported that we consider our hot-dip compound suitable for burial, we know nothing about British compounds.

[redacted] by date: [redacted] 25X1

CONFIDENTIAL
